CashBack

Promotion Participation Made Easy

To participate, there is nothing you will need to do—Rheem® will automatically enroll you into the promotion. Once you are enrolled in the Fall Pro Partner™ promotion, you will receive an email notification from Rheem confirming your enrollment and program details. You must have a user account on My.Rheem.com in order to submit claims through the Contractor Serial Tool (CST) for the promotion. See Terms & Conditions for further details.

Hassle-Free Rebate Filing

The CST Dashboard houses all CST options including claim entry, payment method setup and reporting. This makes it easy for you to submit and manage your claims from one location on My.Rheem.com. Rebate claim submissions begin August 1, 2023, and must be submitted within 30 days of installation date to be considered eligible for payment. CashBack rebates will be paid to you via re-loadable pay card or to your business via direct deposit. The payment method is selected by you in the CST Dashboard and must be complete before your first claim entry. To update or change your payment method you must contact help@myrheem.com. For more information regarding payment methods, see the Contractor Serial Tool Payment Method Reference Guide available in My.Rheem.com under the *Promotions* portal within the Pro Partner dashboard. The *Residential KwikComfort® Financing* rebate will be applied to your direct deposit account set up with Synchrony every 15–30 days following claim approval. See Terms & Conditions for more details.

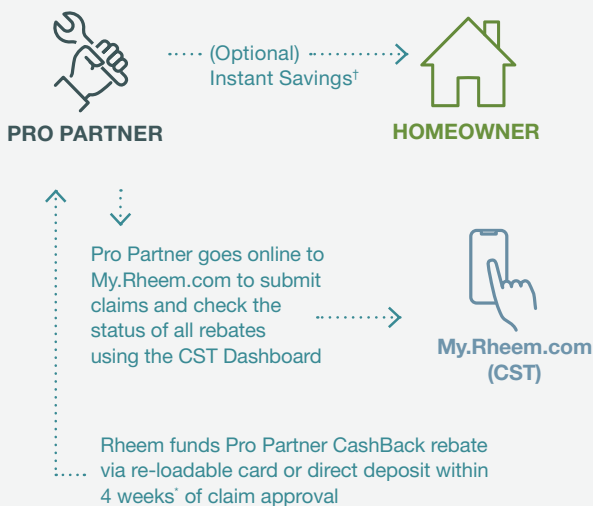

Optional Savings For Homeowners

It's up to you if you want to keep the full rebate, or pass along the rebate to your customers. Rheem will not promote any rebate offers to homeowners.

Important – Special RGEA14 ULN and RGEA14ZR ULN Financing Only Rebate

During the fall promotion, August 1st through November 15th, as a Pro Partner you can receive up to an 8% financing only rebate on RGEA14 ULN and RGEA14ZR ULN installations. See the qualifying equipment rebate matrix on the following pages for equipment installation details. Pro Partners must claim their RGEA14 ULN and RGEA14ZR ULN installations under rebate “2023 Rheem Fall Pro Partner RGEA14 ULN and RGEA14ZR ULN Special *KwikComfort® Financing* Promotion” in the CST Dashboard. **All other claims** should be filed under rebate “2023 Rheem Fall Pro Partner CashBack and *Residential KwikComfort® Financing* Promotion.”

HERE'S HOW IT WORKS:

† Pro Partners can choose whether or not they want to offer the rebate to their customers.
* KwikComfort rebate is funded to the direct deposit account set up with Synchrony within 15–30 days after claim approval.

WHAT IS THE CST?

The Contractor Serial Tool (CST) is Rheem's serial validation tool that allows you to enter claims to redeem rebates or points for installing qualifying Rheem equipment. The CST saves you time by allowing you to redeem rewards for multiple programs and promotions with one claim submission.

Pro Partner Reporting

You will be able to view, customize and download reporting for your claims from the CST Dashboard. There, you can also review all claim details submitted, payment status and more.
