FAQ

1

Q: How do I place a DoorDash order?

A: Simply request DoorDash delivery upon checkout when placing an order in-person or via phone with your local API/Delta T branch.

2

Q: How long will it take to arrive?

A: DoorDash tells us that, on average, 86% of their deliveries arrive within 30 minutes. And with real-time tracking and communication, you'll never have to wonder where your order is.

3

Q: What will you deliver?

A: For now, DoorDash delivery is limited to parts, not equipment.

4

Q: What's the benefit of using DoorDash for parts delivery?

A: Technicians can keep working while the part comes right to them at the jobsite, saving time and improving on-the-job efficiency.
